Subject: Re: Baldwin Hills CSD Periodic Review Public Meeting

Timothy,

The authority of the Hearing Officer has not been revealed.

I believe that given the CSD process which included an EIR and its adoption through the Planning Commissioners and then the County Supervisors is being circumvented in this 5 year Periodic Review by the Planning Director. I believe that CEQA should have also been a part of this process. There also wasn't any inclusion of the CCST findings in the review.

Why is this CSD Review for Baldwin Hills not following the LACO process?

Thank you.
